**6 Gallon Portable Fuel Tank**

The industry's first ever  
stack-able portable

A BluSkies exclusive

# BluSkies

## 6 Gallon Portable Marine Fuel Tank

The BluSkies 6 Gallon portable marine fuel tank is the first in a new series of (patent pending) fuel storage products featuring our exclusive “Stack-it” system.

### Stack it

Go boating longer, with our unique “Stack-it” design. The “Stack-it” system allows for easy transportation and storage, taking up much less room than conventional multiple tank applications.

(Note for dealers: “Stack-it” also opens up additional display opportunities)

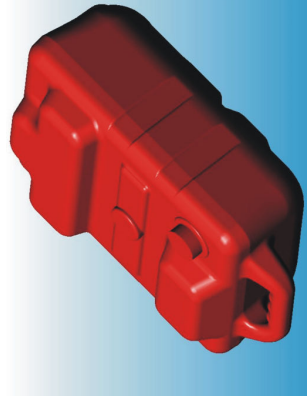

BluSkies 6 Gallon tank features include:

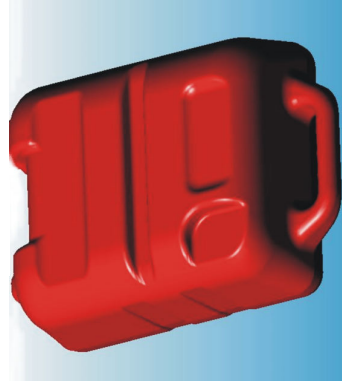

Comfort grip handle with rear handle assist for easy carry.

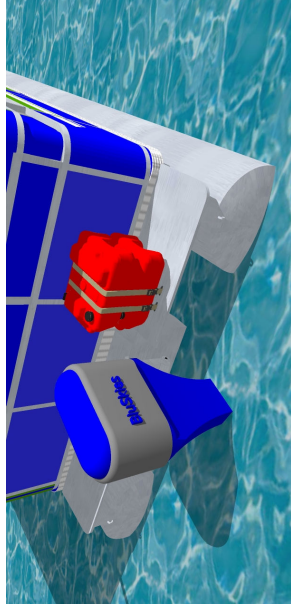

Molded rear stand offs for vertical tank standing.

Gauge locator for optional gauge applications, & tie down grooves for extra security in transport or under way.

Underside recesses for multi-directional non-slip action.
